Extended Learning Institute’s Exploring Career Options webinar and provides information on resources that will be helpful to individuals researching occupations. Individuals are encouraged to utilize several resources to aid in obtaining a comprehensive overview of an occupation. Refer to the [ELI webinar website](http://eli.nvcc.edu) for information about the webinar.

**CareerOneStop**
This website provides information about occupations, and industries as well as state labor market information and resources.

**Career Services**
This website for Career Services at Northern Virginia Community College includes a career development process and connects individuals to resources pertaining to self-assessment, career exploration, decision making, and finding employment.

**College Central Network**
This resource includes information about jobs for students posted exclusively to NVCC, access to a national job and internship board, resume builder feature, and career advice articles, documents, podcasts and videos.

**Ferguson’s Career Guidance Center**
This resource includes information on job and industry profiles; job-hunting and workplace skills; career and industry resources; and college planning and financial aid.

**Focus 2**
This online, interactive, self-guided career and education planning system can help you discover occupations matching your personal preferences and attributes, map out your career plans, and make informed career decisions.

**O*Net Online**
This resource developed under the sponsorship of the US Department of Labor/Employment and Training Administration (USDOL/ETA) through a grant to the North Carolina Employment Security Commission, provides detailed descriptions of numerous occupations.

**Occupational Outlook Handbook**
This resource, published by the Bureau of Labor Statistics of the U.S. Department of Labor, covers hundreds of occupations and describes what they do, work environment, how to become one, pay, and more as well as BLS employment projections for the 2010-20 decade.

**Virginia Education Wizard**
This one-stop, online resource developed by Virginia’s Community Colleges brings together information about careers, curriculum and financial assistance. This resource provides assessments, career paths, college curriculums, and financial aid and college costs.

**Virginia Workforce Connection**
This website provides information about employment and the labor market in Virginia.
